

Welcome to The Centre for Learning@HOME!

View Your Course Selections

The week of August 31:

Parents can log into PowerSchool to review a list of their child's course selections under the Student Reports icon on the left side menu. Next click CFL Course Confirmation.

If you need to re-set your PowerSchool login information, please contact your Family Service Coordinator (FSC).

Getting Started:

Students will receive their username and password for Google and Canvas, our learning management system, during the last week of August. All students and parents must complete the school's online orientation in Canvas prior to the first day of classes. The orientation icon will be available on students' Canvas dashboards beginning the week of August 31.

Class Schedules

Students should have their semester one core course icons visible on their Canvas dashboard by September 8. Please note that class times will be posted on teachers' course home pages in Canvas. If your child does not see the icon for a semester one core subject by the end of the day on September 8, please inform your FSC.

Semester two icons will not be available until the semester turnover at the end of January.

Important Dates

New Student Orientation:

Begins week of August 31

First Day of Classes:

Tuesday, September 8

Technical Requirements

Make sure you are ready to start school by reviewing the information here:

[Technical Requirements - The Centre for Learning@HOME](#)

Textbooks

In late August, our Family Service Coordinators will start to mail out textbooks via Canada Post. Local families will be phoned to pick up their textbooks from our Okotoks office.

Student Services Coordinator and Supports

Your Student Services Coordinator is Ms. Amanda Kerton and she can support you with high school related questions. She can be contacted at akerton@redeemer.ab.ca, or by phone at 403-938-4119 or 1-800-659-1945.

Students in Grades 10-12 will receive access to the High School Student Services icon in Canvas. Under modules, you can find resources such as:

- *high school course offerings
- *graduation information and registration
- *diploma exam registration and requirements
- *post-secondary and career planning events and tools

High School students need a myPass account. myPass is an Alberta Education self-service website for students to view diploma results, request and pay for diploma rewrites, to order transcripts and access your Detailed Academic Report (DAR). Students need to register for a myPass account through Alberta Education.

Please use these [myPassAccountSetUp](#) instructions to set up your account.

Family Service Coordinators

A Family Service Coordinator (FSC) has been assigned to your family, and you have likely communicated with this person throughout the registration process. Your FSC is here to support you with all things related to registration, resources, passwords and other administrative areas. The FSC's are a great starting point if you have any questions at all. FSC's are organized by the parent/guardian last name and are as follows:

Gina Gilmore, A-G: ggilmore@redeemer.ab.ca, 403-995-7546

Kristy Packwood, H-N: kpackwood@redeemer.ab.ca, 403-995-7503

Kerry Nugent, O-R: knugent@redeemer.ab.ca, 403-995-7480

Lynn Cooper, S-Z: lcooper@redeemer.ab.ca, 780-481-5670 ext. 2001

Camp Kindle

High School students are invited to join us at our annual fall camp. Come out and meet other students and teachers! More information and registration can be found here: [Camp Kindle](#)

School Resources

Alberta Education does not provide funding directly to students in an Online or Print Based program. The Centre for Learning@HOME can support students with a limited number of resources to ensure students have what they NEED to complete their schooling. Students have a Student Resource Allocation (SRA) and this can be used to request resources. There is a limit to how much we can provide to a student each year.

Technology and textbook resources are on loan from the school and will need to be returned when a student is no longer registered with the school. All other resources are considered consumable and do not need to be returned or replenished.

If you would like to borrow technology or order consumable supplies please contact your FSC for the appropriate order form.

Graduation

The Centre for Learning@HOME holds an in-person “Cap and Gown” graduation ceremony and evening family celebration in Okotoks in June. More information will be sent to grade 12 students after school begins.

Questions?

Please contact the school at 403-938-4119 or 1-800-659-1945 and ask to speak with your Student Services Coordinator, Ms. Amanda Kerton, or your Family Service Coordinator.
