

Setting Up Your myPass Account

myPass is an Alberta Education self-service website for students to view diploma results, request and pay for diploma rewrites, to order transcripts and access your Detailed Academic Report (DAR). Students need to register for a myPass account through Alberta Education.

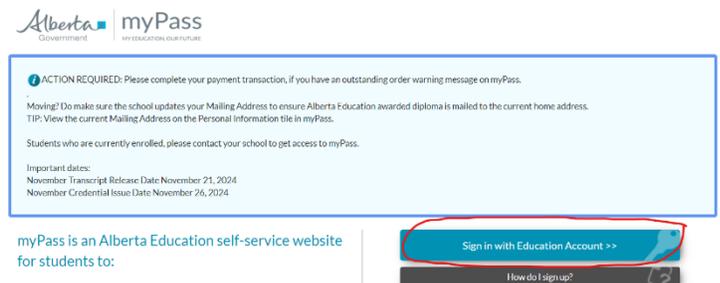

Step 1: Get your Alberta Student Number (ASN) from either a previous Report Card (found in PowerSchool) or School Engage (also accessed through PowerSchool):

<https://redeemer.powerschool.com/>

Step 2: Go to <https://public.education.alberta.ca/PASI/mypass/welcome>

Click on “Sign in with Education Account”

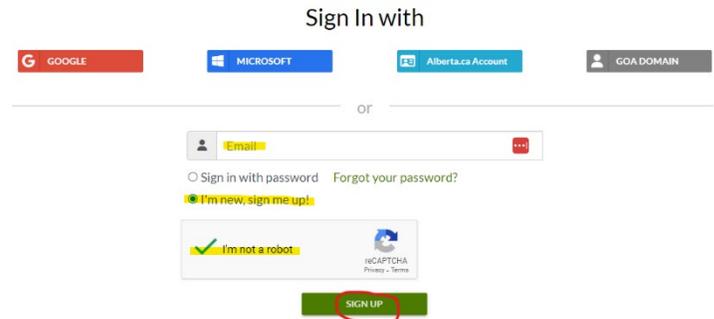

Enter your PERSONAL email address. Not your school one.

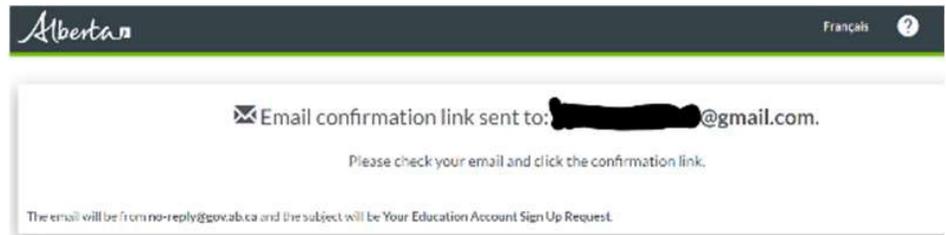

Click on “I’m New, sign me up!”

Check the I’m not a robot box.

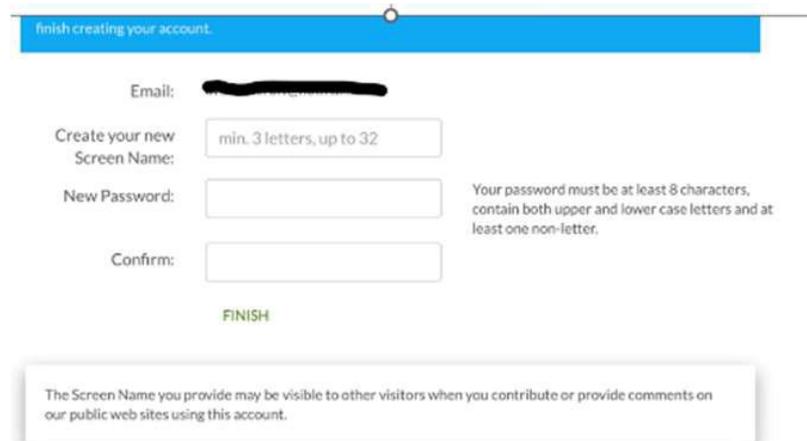

Click the green Sign Up button.

Step 3: Alberta Education will email you a confirmation link.

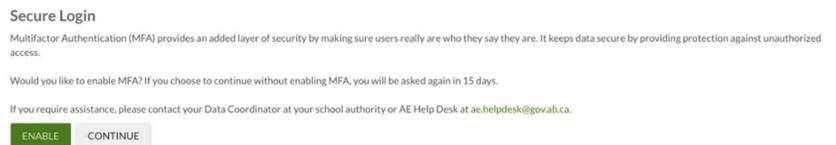

Go to your personal email. Create a screen name and a new password to finish creating your account.

Step 4: Sign out and log back in again at the home screen.

Note: You may be asked to set up a Multi-factor authentication. Be sure to enable this for security reasons.

Step 5: Complete the information as shown here:

Note: You do not have a “Signup Access Code” yet. Select “Activate Connection”. This will prompt a request to get the Sign Up Access Code.
