PROGRAM FEATURES

- The CFL@HOME connections program encompasses Language Arts, Physical Education, Fine Arts, and STEM options. Your child's remaining education program may consist of a choice between Home Education, print based, and/or online course offerings.
- Connections is an ideal option for a Shared Responsibility program (blending of home education and Alberta Programs of Study).
- In-person instruction will engage students in cooperative learning activities such as Reader's Writer's Workshop, Novel Studies, Reader's Theatre and other activities uniquely designed to engage students with their peers in cooperative learning settings.
- Students will have access to a gymnasium for physical education or other activities.
- No out-of-pocket expenses for parents.

[REGISTRATION DEADLINE August 25, 2025](#)
